POC: Environmental & Energy Awareness/TA-C3/867-8414/867-8452. (TA-C3)

OIG: The Office of the Inspector General is the focal point within NASA for conducting audits and investigations to promote economy and efficiency and to prevent and detect fraud and abuse in NASA programs and operations. The OIG receives and investigates complaints or information about inefficiencies, mismanagement, or gross waste of funds; possible violations of law, rules, or regulations by NASA employees, contractors, or others; or substantial and specific danger to the public health and safety. The Inspector General will not disclose the identity of a person who provides such information without that person's permission, unless the Inspector General determines that disclosure is unavoidable during the course of investigation. NASA employees are protected by law from reprisal for making complaints or disclosing information to the Inspector General. At Kennedy Space Center, call: 867-4714, or call toll free: 1-800-424-9183, 24-hour answering service, or write: NASA Inspector General, P.O. Box 23089, L'Enfant Plaza Station, Washington, DC 20024. (OIG)

CONFIDENTIAL FINANCIAL DISCLOSURE REPORT (OGE FORM) FILING: Those individuals reporting to a position for which there is a requirement for an initial and annual 450 filing are reminded the INITIAL filing must be completed no later than 30 days after reporting to that position. Forms are available from the Office of Chief Counsel by calling 867-9223. (CC)

MISUSE OF THE NASA INSIGNIA: Use of the computer templates, containing the NASA Insignia, for the production of NASA letterhead in electronic form is not authorized and should be removed from all computer systems. The Associate Administrator for Public Affairs has requested all NASA centers use only the printed NASA letterhead stationery. "The use of computer file NASA Insignias to custom design stationery provides opportunities for image manipulation and standards degradation which will adversely reflect the professional image of the Agency." If not approved for specific applications, electronic images of the NASA Insignia ("meatball") should be removed from computer systems. (TA-E1)

RIDESHARING PROGRAM: If you are interested in joining an existing car/van pools or forming a new one, contact the Space Coast Commuter Assistance (SCCA) at 952-4563, ext. 301, or www.ridescat.com. Click on the "Space Coast Commuter Assistance" tab, then "carpool matching" or "vanpool matching." Fill out the "information Request Form" online, and submit it. The information provided on the form will be fed into a computer which matches people by residential areas and compatibility of work hours. SCCA will mail the submitter a list of potential car/van poolers. (TA-E1)

GRAPHICS/PUBLICATIONS: Before you begin any work for publication, consult the JBOSC Graphics Department. Design lay out must be approved by the CMR prior to printing. Many print request have to be reworked because of problems with alignments, reductions, and postscript formats. By consulting with JBOSC Graphics first, you will eliminate wasted time and effort to rework your project. Graphics will ensure your artwork is produced efficiently and is suitable for reproduction. Graphics has electronic transfer capability, a proven method for first quality prints directly from the original, compared to low density reproductions from copied artwork. For information, call 867-3838. For your convenience, JBOSC Graphics has two additional offices located in the O&C Building, Room 1152, 867-7419; and, in the OSB Building, Room 6204, 861-3814. (TA-E1)

PEDESTRIAN SAFETY: Pedestrians crossing roadways on Kennedy Space Center are reminded to yield the right-of-way to all vehicles when crossing the roadway at a point not within a marked crosswalk. Motorists are reminded to yield the right-of-way to pedestrians crossing the roadway in a marked crosswalk when the pedestrian is on the half of the roadway the vehicle is traveling, or when the pedestrian is approaching so closely as to be in danger. (TA-G)

REPORTING EMERGENCIES: To report any emergency on KSC, whether it is fire, security, or medical related, (including possible hazardous commodity exposure); dial 9-1-1 or 867-7911 from a cell phone. For walk-in type first-aid treatment, the Occupational Health Facility is open Monday - Friday from 7:00 am to 5:00 pm, and the Launch Area Clinic is open Monday-Friday 7:00 am to 3:00 pm. Hours other than those, call 9-1-1 for emergencies and/or first aid type treatment. **After normal working hours, the non-emergency medical related assistance will be coordinated through the 9-1-1 operators.** (TA-G)

FEW ANNUAL TRAINING PROGRAM: Don't Miss Out! A one-day Leadership and Personal Improvement training program will be presented on Wednesday, March 1, 2006 and repeated on Thursday, March 2, 2006, at the Holiday Inn in Cocoa Beach, Florida. The Keynote Speaker will be Rita M. Murray, President, Performance Consulting, and her topic is "Survive and Thrive in a Multi-Generational World." Workshop speakers are Mariam Hull, President, Hull Associates speaking on "Mastering Change;" Tina Shepherd, President, Real Life Nutrition, will be offering her workshop entitled "Nutrition for Working Women." Carol Clendinen, President, Bearin' Up, will present her workshop on "Putting People First in a Diverse Workplace", and last but not least is Marc DeSimone, Senior Consultant, International Leadership Development Consortium, presenting "Moving Beyond Resistance." The cost for the one-day Seminar is \$99.00 per participant, parking is free, and a complimentary continental breakfast and lunch are provided. Registration Form and payment or purchase order is due by February 21, 2006. Please register via one of these methods: Internal KSC mail - send to SGS-164/Dawn Partlow or IT-D1/Vickie Hall; or fax to 321-861-8895 or 321-867-1666, Attn: Vickie Hall; or email to JeanGrenville@aol.com, or Vickie.C.Hall@nasa.gov, or kbiega@bellsouth.net; or postal mail - Federally Employed Women, Attn: 2006 Seminar Registration, P.O. Box 21201, KSC, FL 32815. Note: NASA-KSC Civil servants must register through NORS and coordinate attendance through their NASA Directorate Training Coordinator. If you are interested in participating as an Exhibitor for this event, please contact Karen Dubois, 321-867-2309, Karen.S.Dubois@nasa.gov. For any additional information, please contact Jean Grenville, 321-453-0226 or Karin Biega, 321-784-2890. (IT-D)

OCCUPATIONAL MEDICINE PATIENT SERVICES PROGRAMS: All employees are reminded that nonoccupational-related information obtained from medical treatments, physical examinations, Health Education Program screenings, and mental, emotional, and substance abuse counseling through the Employee Assistance Program is PRIVATE, STRICTLY CONFIDENTIAL, AND SUBJECT TO THE PRIVACY ACT. (TA-C2)

EMPLOYEE ASSISTANCE PROGRAM: All employees are reminded that the Employee Assistance Program offers free, confidential counseling to all Kennedy Space Center and Cape Canaveral Air Force Station employees. Appointments are necessary to ensure adequate time. This program is available Monday through Friday, 7:30 am. to 4:00 pm. Appointments may be made by calling 867-7398. (TA-C2)

MASSAGE THERAPY: Massage Therapy available Tuesday-Friday 10:00 am-4:00 pm, room 1023, O&C Building. To schedule an appointment contact Valerie, (L.M.T. #19362) at 867-4762 or JaramVS@kscems.ksc.nasa.gov. \$1.00 per minute/packages available. Gift certificates also available. (TA-C2)

KSC/CCAFS HEALTH EDUCATION & WELLNESS PROGRAM (HEWP)
<http://hewp.ksc.nasa.gov>

FEBRUARY 2006 STROKE: The topic for heart month this year is stroke. Stroke is a type of cardiovascular disease that affects the arteries leading to and within the brain. About 700,000 Americans suffer from a new or recurrent stroke each year resulting in a stroke occurring about every 45 seconds. Stroke kills nearly 163,000 people a year (about 1 of every 15 deaths) and is the third leading cause of death behind other diseases of the heart and cancer.

Hardcopies of the stroke packet will be available at all medical and fitness facilities. If you or your department/organization would like to be added to the monthly packet hardcopy distribution list, please call Kris Calderon at 867-3414. The packet will also be available on the new HEWP website: <http://hewp.ksc.nasa.gov> (this site is outside the KSC firewall!).

SPECIAL 2006 HEART HEALTH MONTH PROGRAMMING: GO RED FOR WOMEN During American Heart Month: The Go Red For Women (GRFW) movement raises women's awareness of their risk for heart disease and helps them learn - and take action to reduce - their personal risk for heart disease. As we begin year three, GRFW harnesses women's energy, passion and power to band together and collectively wipe out heart disease. These are components of the GRFW movement for 2006:

Love Your Heart: This year the American Heart Association is encouraging women to love their hearts by visiting their healthcare provider to learn how to incorporate heart-healthy habits into their daily lives.

The Red Dress Pin: Millions of Americans have added the red dress pin to their wardrobe to support the women and heart disease movement. To get a free pin, call Proud Go Red For Women Sponsor Wuesthoff Health System at (321) 636-2211 ext.1504. Some red dress pins will also be available at the spaceport clinics.

Go Red For Women: State of the Heart: In February 2006, the American Heart Association will announce several gender-specific scientific statements in a news conference that provides a snapshot of the state of women and heart disease.

Consumer Education: The American Heart Association has compiled materials for consumers such as a cookbook, brochures, wallet cards, book marks, posters, Web alerts, screen savers, e-cards, etc. Several pieces of American Heart Association materials will be distributed throughout the spaceport clinics, cafeterias, fitness centers, and month health education table (mentioned above).

Community Events: In addition to the heart health activities and information distribution on the spaceport, there are several heart health community events being held in February:

2006 International Stroke Conference

Feb. 18, 2006 at the Gaylord Palms Resort (off SR 408) Kissimmee

This is the leading scientific meeting focusing on all aspects of stroke science. For information on the conference or to register online, visit the strokeconference.org.

For a \$30 fee, the screening includes a lipid profile, blood pressure, height/weight, glucose, body fat analysis, and 12-page risk factor report. Call 321-255-8020 for times, locations and to schedule an appointment.

FUEL FOR WOMEN:

Fuel 4 Women Newsletter: This month's Fuel 4 Women newsletter is on women and cholesterol. The newsletter will be available at all spaceport clinics and fitness centers and will be distributed at this month's Health Education Information Table.

NUTRITION EDUCATION FOR WORKERS AT THE SPACEPORT (N.E.W.S.) PROGRAM: The N.E.W.S. program was created to educate workers at the spaceport about nutrition. The program includes a comprehensive website with an e-mail mechanism to ask nutrition questions, requested lectures, and special events. Check out the current NEWS website at <http://hewp.ksc.nasa.gov/Content/NEWS/NEWS.htm>

COLORECTAL CANCER SCREENING: Small amounts of blood in your stool, which can be detected with hemoccult slides, can be an indication of colorectal cancer. Hemoccult slides and [instructions](#) are available at all medical facilities during hours of operation.

WORKSITE LECTURES: Work-site lectures on any health subject and requests for health information or counseling are available upon request to Kris Calderon, phone: 867-3414, e-mail: Kristine.Calderon@jbosc.ksc.nasa.gov. (TA-C2)

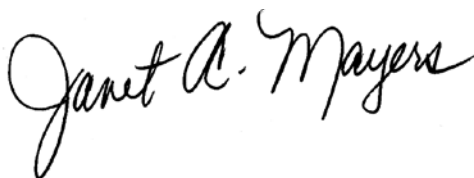

INDEX OF KSC SPECIFICATIONS AND STANDARDS: The new Revision 28 of KSC-GP-364, Index of Kennedy Space Center Specifications and Standards, dated February 2006, is now available. Copies can be obtained in HQ Room 1124, by calling 867-3613 or <mailto:KSCLibrary@jbosc.ksc.nasa.gov>. The current index and current publicly available KSC specifications and standards are also available at <http://www-lib.ksc.nasa.gov/lib/gp364.html> or through the NASA Technical Standards Program's Agencywide Full-Text Technical Standards System at <http://standards.nasa.gov>.

The export control status of three KSC specifications/standards has been changed since this index was published in January, 2005. After re-evaluation by the NASA-KSC Center Export Administrator, KSC-STD-G-0003B has been changed from ITAR to EAR 99-NLR. Both KSC-STD-Z-0006B and KSC-STD-Z-0007 have been changed from EAR to ITAR.

As of the date of publication of this index, this is the current list of KSC specifications and standards which are export controlled:

KSC-SPEC-E-0012	ITAR	KSC-STD-Z-0005BITAR
KSC-SPEC-F-0006A	ITAR	KSC-STD-Z-0006BITAR
KSC-SPEC-Z-0011A	ITAR	KSC-STD-Z-0007 ITAR
KSC-STD-164B	ITAR	KSC-STD-Z-0009CEAR
KSC-STD-E-0004A	ITAR	KSC-STD-Z-0010AITAR
KSC-STD-Z-0004F	ITAR	KSC-STD-Z-0012BITAR (TA-E1)

KSC TOASTMASTERS: Space Center employees are constantly in the public eye and in situations which require them to represent the United States Space Program. Employees are encouraged to develop their communication and leadership skills to meet this challenge. Toastmasters International is a professional, multi-level training program for both beginning and advanced education in the critical skills of "listening, thinking, and speaking"—all important tools in both the work environment and your personal lives. NASA has recognized this by reimbursing civil servants for the cost of training. For more information on the Toastmasters organizations and the three different locations/dates for training sessions at KSC and CCAFS, contact Mike Schnoke, Jack Jamba, Bill Cleaver, or Nona Mamaradlo at 784-7502.

SPACEPORT ROCKETRY ASSOCIATION: SRA will hold its monthly high power sport rocket launch this Saturday, February 18, from 11:00 AM to 4:00 PM at its Palm Bay launch site. Current FAA waiver allows for flights to 10,000 ft. AGL. Launch equipment can accommodate rockets powered in the A through O motor classes (1/2 lb.-sec. through 9200 lb.-sec. impulse). M through O requires prior coordination. The website at <http://www.spaceportrocketry.org> will give club information as well as a list of officers to contact for directions to the launch site. Additionally, after 7:00 AM on the morning of the launch, the latest launch status is given by recorded message at 772-564-9361 (useful information if the weather appears marginal).
